

2017 REALTOR® Broker Summit

Register for Live Stream

The REALTOR® Broker Summit is a two-day event designed exclusively for brokers to learn from keynote presenters, peers and industry leaders. Offering fresh insights and best practices to improve the success of brokerages, and anticipate what's next in real estate. The theme for this event is “think outside the box”, where attendees will gain knowledge on management topics ranging from risk management and growth strategies to economic trends and technology game changers.

Meet us online!

For those unable to attend the sold-out event, get a glimpse of this exclusive conference via live stream and Facebook Live. As a free member benefit, NAR members located in and outside of the U.S. will be able to view three business sessions from the Broker Summit in San Diego for FREE via live stream, and one additional session on Facebook Live.
