

Iowa Association of REALTORS®

2016 President Ken Clark has created a committee Utilizing the expertise and experience of past State Presidents to locate dedicated, talented, and driven individuals to serve in Political capacities such as state and local committees, Mayors, council people, state congressional seats, etc. and to increase the awareness around the State that REALTORS® give more than they take! The 20 x 2025 slogan is a driven Grass Roots committee charged with the idea of 20% of our REALTORS® in a political arena by 2025. President Ken has already reached out to our Local Executive Officers to start a list of those already serving in a similar capacity.
