## STATE REALTOR® OF THE YEAR RECIPIENTS

The National Association of REALTORS® has been honoring the State REALTORS® of the Year since 1956.

The program is designed to recognize REALTORS® who have served the real estate profession and their communities. Each state selects their REALTOR® of the Year based on exceptional criteria, including local association/board activity, business accomplishments, civic activity, exemplifying the REALTOR® Spirit and more. While each state determines their own criteria, this group of REALTORS® go above and beyond to serve our members and our industry at the state level.

**NAR is proud of these REALTORS® and all members in real estate.**
